One little incident of a slightly unpleasant nature occurred in connection with the latter when the Acting Governor refused to give his presence or countenance to a Masonic ceremony: but whatever little irritation was caused thereby has since disappeared, his bands at the Dongtrien mines. and even those who were loudest in their condemnation have, we think, come to se that his action was not altogether unreason. able. Mr. FLEMING has fully earned the waiving their claims. The piece of territory in confidence of the public, and we hope the Colony may long enjoy the advantage of his services as Colonial Secretary. It is we hear, his intention shortly to go home on leave, and when he does so he will carry with him the good wishes of the community

In their memorandum laid on the table of the Legislative Council at its last meeting the unofficial members have, we are glad to see, recognised the importance of making the Public Works Committee a real working force instead of allowing it to exist in name derstand that it is to be stoged and dressed in only. "We carnestly and respectfully re-"commend," they say, "that in the case of any new work proposed the Surveyor. General should in all future cases lay a statement before the Public Works Com-"mittee, giving the fullest details and "estimates. The Public Works Committee would then consider each one, and report telegram on the 16th inst. "upon it to the Finance Committee; and no vote should be asked from the Council "until the fullest details of every nature "had been obtained and considered during by the Governor-General. This measure, say "these preliminary stages." They recom- our contemporary, was absolutely necessary, the mend further that no material change should be permitted in the plans when before the Newl Year's settlement. they have once been approved without reference to the Public Works Committee and the consent of the Council. If this -course be adopted, as we trust it will the Public Works Department will hardly making up the Tls. 9,000 required for the purhave the opportunity of again laying itself open to such a heavy indictment of extra-I vagance and waste-as-is-brought against it in the memorandum referred to. As the Acting Governor remarked at Monday's meeting in reference to another matter. we all know that so long, as we have sampling the firm's champagne, with much house, and was promoted in her to sub-lieu-"money of our own to spend we are apparent satisfaction. We have also received tenant in September, 186 . The qualities which very careful, but if we have an unlimited supply belonging to another person, or Limited. when the supply is exhausted can may to "some one else, 'I am in debt and you must "pay my debts, the same care and caution to arbitration the claims of the steamers against the North American and West Indies station open the door and saw the fire spread rapidly "are not used."
